2. IN-DEPTH QUESTION-BY-QUESTION LEGAL ANALYSIS

Complete analytical profile for Questions 1 through 50 with verbatim quotations and official justifications.

QUESTION 1

VERDICT: FALSE

Statement: "Any voluntary religious headwear can be worn."

Official Reference: **Art. 2.1.2(b), p. 5 / Art. 2.2.5, p. 7**

> ***Verbatim Rule Text:***
> *"Athletes may, according to their own individual choice, use religious headwear approved by the WKF: A black plain fabric head scarf covering the hair, but not the neck or throat area. (Article 2.2.5, Page 7)"*

Rule Justification: Under WKF examination rules, an answer is true only if true in all situations. The statement is false because not 'any' religious headwear is allowed; it must be specifically approved by the WKF and, for athletes, strictly restricted to a black plain fabric head scarf that leaves the neck and throat clear.

QUESTION 2

VERDICT: FALSE

Statement: "The Karate Gi jacket must be more than three-quarters thigh length."

Official Reference: **Art. 2.2.1(e), p. 7**

> ***Verbatim Rule Text:***
> *"The jacket, when tightened around the waist with the belt, must be of a minimum length that covers the hips, but must not be more than three-quarters of thigh length. (Article 2.2.1 e, Page 7)"*

Rule Justification: The rule imposes an absolute maximum ceiling: the jacket must not exceed three-quarters of the thigh length.

QUESTION 3

VERDICT: TRUE

Statement: "The Karate Gi trousers must cover at least two-thirds of the shin."

Official Reference: **Art. 2.2.1(j), p. 7**

> ***Verbatim Rule Text:***
> *"The trousers must be long enough to cover at least two-thirds of the shin and must not reach below the anklebone. Trouser legs cannot be rolled up. (Article 2.2.1 j, Page 7)"*

Rule Justification: The regulation explicitly requires trousers to cover at least two-thirds of the shin while remaining above the anklebone.

QUESTION 4

VERDICT: TRUE

Statement: "The Karate Gi jacket sleeves must be no longer than the bend of the wrist."

Official Reference: **Art. 2.2.1(h), p. 7**

> ***Verbatim Rule Text:***
> *"The maximum length of the jacket sleeves must be no longer than the bend of the wrist and no shorter than halfway down the forearm. (Article 2.2.1 h, Page 7)"*

Rule Justification: The maximum permissible sleeve length is strictly mandated to be no longer than the bend of the wrist.

QUESTION 5

VERDICT: FALSE

Statement: "If an Athlete's Karate Gi jacket sleeves are too long and a suitable replacement cannot be found in time the Referee can allow him to turn them up on the inside."

Official Reference: **Art. 2.2.1(i), p. 7 / Art. 2.2.14, p. 8**

> ***Verbatim Rule Text:***
> *"Jacket sleeves cannot be rolled up. (Article 2.2.1 i, Page 7) / Athletes that appear at the competition area with unauthorized equipment or irregular Karategi will be given two minutes to correct the attire... (Article 2.2.14, Page 8)"*

Rule Justification: Rolling or turning up jacket sleeves is unconditionally prohibited. The Referee has no discretion to authorize folded sleeves; the athlete receives 2 minutes to obtain a regular Karategi.

QUESTION 6

VERDICT: TRUE

Statement: "Athletes can wear 1 or 2 discreet rubber bands on a single ponytail. Ribbons, beads and other decorations are prohibited."

Official Reference: Art. 2.2.4, p. 7

> ***Verbatim Rule Text:***
> *"Hair slides are prohibited, as are metal hairgrips. Ribbons, beads and other decorations are prohibited. One or two discreet rubber bands on a single ponytail are permitted. (Article 2.2.4, Page 7)"*

Rule Justification: The statement directly reproduces the official regulation governing hair fasteners for athletes.

QUESTION 7

VERDICT: FALSE

Statement: "Earrings are allowed if they are covered with tape."

Official Reference: Art. 2.2.6, p. 7

> ***Verbatim Rule Text:***
> *"Athletes must have short fingernails and must not wear metallic or other objects, which might injure their opponents. (Article 2.2.6, Page 7)"*

Rule Justification: Metallic objects are strictly forbidden for athletes during bouts. Covering earrings with adhesive tape is not permitted under WKF regulations.

QUESTION 8

VERDICT: TRUE

Statement: "Metallic teeth braces can be worn at the Athlete's own risk if approved by the Referee and the Official Doctor."

Official Reference: Art. 2.2.6, p. 7

> ***Verbatim Rule Text:***
> *"The use of metallic teeth braces must be approved by the Referee and the Tournament Doctor. The Athlete accepts full responsibility for any injury. (Article 2.2.6, Page 7)"*

Rule Justification: Metallic braces are authorized provided both the Referee and the Tournament Doctor approve them, with the athlete assuming full responsibility.

QUESTION 9

VERDICT: TRUE

Statement: "Athletes must bow properly to each other at the start and end of the bout."

Official Reference: Art. 7.4, p. 20

> ***Verbatim Rule Text:***
> *"The Athletes must bow properly to each other at the start and the end of the bout – a quick nod is both discourteous and insufficient. (Article 7.4, Page 20)"*

Rule Justification: A formal, courteous bow between competitors is mandatory at both the beginning and conclusion of every bout.

QUESTION 10

VERDICT: FALSE

Statement: "The Coach can change the team fighting order during a match."

Official Reference: Art. 3.6.5 & 3.6.6, p. 13

> ***Verbatim Rule Text:***
> *"Their fighting order can be changed for each round, provided the new fighting order is notified before the round, but once notified, it cannot be changed until that round is completed. (Article 3.6.5) / The Team will be disqualified (SHIKKAKU) if any of its members or its Coach changes the Team's composition or fighting order without written notification prior to the round. (Article 3.6.6, Page 13)"*

Rule Justification: Once officially notified prior to a round, the fighting order is fixed and cannot be modified during that match. Doing so triggers automatic disqualification (SHIKKAKU).

QUESTION 11

VERDICT: FALSE

Statement: "If an Athlete is injured in an individual bout the Coach can enter a replacement if he notifies the Organising Commission first."

Official Reference: Art. 6.1 & 6.2, p. 18

> ***Verbatim Rule Text:***
> *"KIKEN is the decision given when an Athlete or Athletes fail to present themselves when called, are unable to continue, abandon the bout, or are withdrawn on the order of the Tournament Doctor. (Article 6.1) / Individual Athletes or Teams that do not present themselves when called will be disqualified (KIKEN) from that category. (Article 6.2, Page 18)"*

Rule Justification: Substitutions are never permitted in individual categories. An injured athlete who cannot continue receives KIKEN (disqualification from the category).

QUESTION 12

VERDICT: TRUE

Statement: "Each Judge must be equipped with a red and a blue flag or joysticks."

Official Reference: Art. 1.7, p. 4

> ***Verbatim Rule Text:***
> *"Each Judge will be equipped with a red and a blue flag or an electronic signal device. (Article 1.7, Page 4)"*

Rule Justification: Corner judges operate either traditional red and blue flags or electronic signal devices (designated in exam parlance as joysticks).

QUESTION 13

VERDICT: FALSE

Statement: "If two teams have the same number of victories and points, a deciding bout will be held."

Official Reference: Art. 12.4, 12.5, p. 34-35 / Appendix 6, p. 57

> ***Verbatim Rule Text:***
> *"In Round-robin and Team bouts, HIKIWAKE will be given unless it is an extra bout to decide a match outcome. (Article 12.2.4) / Appendix 6 establishes tie resolution rules: in Round-robin, matches can end in a draw, and group ties evaluate victory points, head-to-head, points scored, Ippon, and Waza-ari before any extra bout."*

Rule Justification: The statement is false because a deciding bout is not automatically held in all formats. In Round-robin team competition, matches end in a draw (Hikiwake), and group standings evaluate multiple tie-breakers before resorting to an extra bout.

QUESTION 14

VERDICT: FALSE

Statement: "The Match Supervisor (KANSA) will be equipped with only a whistle."

Official Reference: Art. 1.8, p. 4 / Art. 15.5.4(22), p. 44

> ***Verbatim Rule Text:***
> *"The Match Supervisor (KANSA) will be seated at the official table. They will be equipped with a whistle. (Article 1.8) / In instances where KANSA is in doubt about a verdict, KANSA has the right to check the video review recording. (Article 15.5.4(22), Page 44)"*

Rule Justification: The qualifier 'only' invalidates the statement. KANSA oversees the official match records and possesses the authority to inspect the video review recording.

QUESTION 15

VERDICT: TRUE

Statement: "Disqualification by KIKEN means that the Athletes are disqualified from that category."

Official Reference: Art. 6.4, p. 18

> ***Verbatim Rule Text:***
> *"Disqualification by KIKEN means that the Athletes are disqualified from that category, although it does not affect participation in another category. (Article 6.4, Page 18)"*

Rule Justification: Direct quotation from the rules: KIKEN disqualifies the athlete specifically from the category in which it occurs.

QUESTION 16

VERDICT: TRUE

Statement: "Heels of more than 4 cm must not be worn with the uniform."

Official Reference: Art. 2.1.2(e), p. 5

> ***Verbatim Rule Text:***
> *"Heels of more than 4 cm may not be worn with the uniform. (Article 2.1.2 e, Page 5)"*

Rule Justification: Official Referee and Judge uniform guidelines explicitly prohibit footwear with heels exceeding 4 cm.

QUESTION 17

VERDICT: FALSE

Statement: "Senior Male bouts are three minutes, and Senior Female, Cadets, and Juniors, two minutes."

Official Reference: Art. 5.1, p. 19

> ***Verbatim Rule Text:***
> *"Duration of the Kumite bout is: Senior Male and Female categories: 3 minutes effective time; Under 21 Male and Female categories: 3 minutes effective time; Cadet and Junior Male and Female categories: 2 minutes effective time... (Article 5.1, Page 19)"*

Rule Justification: Senior Female bouts are 3 minutes of effective time (identical to Senior Male bouts), not 2 minutes.

QUESTION 18

VERDICT: FALSE

Statement: "Kumite team members can wear any type of Karate Gi."

Official Reference: Art. 2.2.1, p. 5

> ***Verbatim Rule Text:***
> *"Athletes must wear a WKF Approved white Karategi without piping or personal embroidery other than allowed explicitly by the WKF EC and specified in the bulletin for the competition... (Article 2.2.1, Page 5)"*

Rule Justification: Team members must wear WKF Approved white Karategi meeting strict embroidery, design, and manufacturer specifications; 'any type' is strictly prohibited.

QUESTION 19

VERDICT: TRUE

Statement: "Different Karate Gi brands can be used for team members."

Official Reference: Art. 2.2.1(a), p. 5

> ***Verbatim Rule Text:***
> *"There is no WKF requirement for the Team members wearing the same brand of Karategi. (Article 2.2.1 a, Page 5)"*

Rule Justification: The regulations explicitly affirm that team members are not required to wear the same brand of Karategi.

QUESTION 20

VERDICT: TRUE

Statement: "An Athlete does not need to change the jacket if the ties are torn off during the bout."

Official Reference: Art. 2.2.1(g), p. 7

> ***Verbatim Rule Text:***
> *"Jackets without ties cannot be used. The jacket ties holding the jacket in place must be tied at the beginning of the bout. If they are torn off during the bout, the Athlete is not required to change the jacket. (Article 2.2.1 g, Page 7)"*

Rule Justification: If the jacket ties tear off during the course of a bout, the competitor is exempted from replacing the jacket.

QUESTION 21

VERDICT: FALSE

Statement: "Athletes can wear any white Karate Gi."

Official Reference: Art. 2.2.1, p. 5

> ***Verbatim Rule Text:***
> *"Athletes must wear a WKF Approved white Karategi without piping or personal embroidery other than allowed explicitly by the WKF EC and specified in the bulletin for the competition... (Article 2.2.1, Page 5)"*

Rule Justification: The Karategi must be WKF Approved and comply strictly with official shoulder embroidery, manufacturer labels, and dimensions.

QUESTION 22

VERDICT: FALSE

Statement: "A fast combination of CHUDAN KERI and TSUKI each of which score in their own right will be given IPPON."

Official Reference: **Art. 8.3, p. 21**

> ***Verbatim Rule Text:***
> *"Only the first correctly executed technique of an exchange will score, with the exception of an effective combination of techniques, in which case the highest scoring technique will count regardless of the sequence of techniques in the combination. (Article 8.3, Page 21)"*

Rule Justification: In a combination where both score, only the single highest-scoring technique is awarded (Chudan Keri = Waza-Ari, 2 points). Scores are never added together to form an Ippon.

QUESTION 23

VERDICT: FALSE

Statement: "In Senior bouts a light 'skin touch' to the throat does not need to result in a warning or penalty provided there is no injury."

Official Reference: **Art. 8.8, p. 22 / Art. 9.1.1(1), p. 23**

> ***Verbatim Rule Text:***
> *"...with the exception of the throat area, where no physical contact is allowed. (Article 8.8, Page 22) / Prohibited behaviour: Techniques that make excessive contact... and techniques that make contact with the throat. (Article 9.1.1(1), Page 23)"*

Rule Justification: Zero physical contact is allowed to the throat across all age divisions. Any touch to the throat is an infraction requiring a warning or penalty.

QUESTION 24

VERDICT: FALSE

Statement: "A kick in the groin will not result in a penalty provided the offender did not do it intentionally."

Official Reference: **Art. 9.1.1(2), p. 23 / Art. 10.4.2, p. 28**

> ***Verbatim Rule Text:***
> *"Prohibited behaviour: Attacks to the arms, legs, groin, joints, or instep. (Article 9.1.1(2)) / The Athletes must perform all techniques with control and good form. If they cannot, then regardless of the technique misused, a warning or penalty must be imposed. (Article 10.4.2, Page 28)"*

Rule Justification: Attacks to the groin are strictly prohibited. The lack of malicious intent does not waive the obligation to impose a warning or penalty.

QUESTION 25

VERDICT: TRUE

Statement: "For Athletes under 14 years of age, the WKF approved protective helmet is compulsory."

Official Reference: **Art. 2.2.7(g), p. 8**

Rule Justification: Wearing a WKF Approved protective helmet is mandatory for all athletes competing in Under-14 categories.

QUESTION 26

VERDICT: TRUE

Statement: "If SENSHU is withdrawn when it is less than 15 seconds left of the bout, no further SENSHU can be awarded to either Athlete."

Official Reference: **Art. 12.2.10, p. 33**

> ***Verbatim Rule Text:***
> *"If SENSHU is withdrawn when it is less than 15 seconds left of the bout, no further SENSHU can be awarded to either Athlete. (Article 12.2.10, Page 33)"*

Rule Justification: Verbatim citation from Article 12.2.10: once Senshu is annulled within the last 15 seconds, it cannot be reassigned to either competitor.

QUESTION 27

VERDICT: TRUE

Statement: "If an Athlete, that has been awarded SENSHU, receives a warning for avoiding combat when there is less than 15 seconds left of the bout – the Athlete will automatically forfeit this advantage."

Official Reference: **Art. 12.2.8, p. 33 / Art. 10.4.16, p. 30**

> ***Verbatim Rule Text:***
> *"Should an Athlete who has been awarded SENSHU receive a warning for avoiding combat for the following incidents: JOGAI, running away, clinching, grabbing, wrestling, pushing or standing chest to chest when there is less than 15 seconds left of the bout – the Athlete will automatically forfeit this advantage. (Article 12.2.8, Page 33)"*

Rule Justification: An athlete holding Senshu who commits avoiding combat or designated time-wasting fouls during the final 15 seconds automatically forfeits Senshu.

QUESTION 28

VERDICT: TRUE

Statement: "Voluntary religious headwear must be approved by WKF."

Official Reference: **Art. 2.1.2(b), p. 5 / Art. 2.2.5, p. 7**

> *"Voluntary religious headwear approved by the WKF (Article 2.1.2 b, Page 5) / Athletes may, according to their own individual choice, use religious headwear approved by the WKF... (Article 2.2.5, Page 7)"*

Rule Justification: All religious headwear permitted for officials, coaches, and athletes must be formally approved by the WKF.

Statement: "The WKF Competition Supervisor, or the Organizing Commission, can allow Coaches to use any t-shirt instead of the track suit jacket."

Official Reference: **Art. 2.3.3, p. 9**

> ***Verbatim Rule Text:***
> *"The Chief Referee can allow Coaches to use the federation's official Team t-shirt or a plain coloured t-shirt without writing or logos instead of the tracksuit jacket. (Article 2.3.3, Page 9)"*

Rule Justification: Only the Chief Referee (not the Competition Supervisor or Organizing Commission) holds this authority, and it cannot be 'any' t-shirt, but only an official team shirt or plain colored t-shirt without writing or logos.

QUESTION 30

VERDICT: TRUE

Statement: "HANSOKU CHUI is given if the Athlete's potential for winning has been reduced by the opponent's foul."

Official Reference: **Art. 10.3.1, p. 27**

> *"HANSOKU CHUI Warning of disqualification in the event of further infractions. Is given for more serious infractions that reduces the other Athlete's chances of winning or to an Athlete for any further infraction if three CHUI has already been given. (Article 10.3.1, Page 27)"*

Rule Justification: Hansoku Chui is explicitly defined as the warning imposed when an infraction reduces the opponent's chances of winning.

QUESTION 31

VERDICT: FALSE

Statement: "The weight tolerance admitted for male and female is 0.5 kg."

Official Reference: **Art. 3.2.2(d), p. 10**

> *"The tolerances admitted are 0.2 kg for all male categories and 0.5 kg for all female categories. The same tolerance applies to both the upper and lower limits of a weight class. (Article 3.2.2 d, Page 10)"*

Rule Justification: The allowable weight tolerance for male athletes is 0.2 kg, whereas 0.5 kg applies only to female categories.

QUESTION 32

VERDICT: TRUE

Statement: "HANSOKU is imposed for very serious rules infractions."

Official Reference: **Art. 10.3.1, p. 27**

> ***Verbatim Rule Text:***
> *"HANSOKU Disqualification from the bout. This is the penalty of disqualification following a very serious infraction or when HANSOKU CHUI has already been given. (Article 10.3.1, Page 27)"*

Rule Justification: Hansoku is defined as bout disqualification resulting from a very serious rule violation or cumulative penalty.

QUESTION 33

VERDICT: FALSE

Statement: "SHIKKAKU can only be imposed after a warning has been given."

Official Reference: **Art. 10.3.1, p. 27 / Art. 10.4.17, p. 30**

> ***Verbatim Rule Text:***
> *"SHIKKAKU Disqualification from the tournament... may be invoked when an Athlete fails to obey the orders of the Referee, acts maliciously, or commits an act, which harms the prestige and honour of Karate. (Article 10.3.1) / An Athlete who refuses to follow the instructions of the Referee or displays a loss of temper will automatically receive SHIKKAKU. (Article 10.4.17, Page 30)"*

Rule Justification: SHIKKAKU can be imposed immediately and directly without any prior warning for severe breaches of etiquette, malice, or insubordination.

QUESTION 34

VERDICT: TRUE

Statement: "If an Athlete acts maliciously, SHIKKAKU and not HANSOKU is the correct penalty."

Official Reference: **Art. 10.3.1, p. 27**

> *"SHIKKAKU Disqualification from the tournament... may be invoked when an Athlete fails to obey the orders of the Referee, acts maliciously, or commits an act, which harms the prestige and honour of Karate. (Article 10.3.1, Page 27)"*

Rule Justification: Malicious actions are specifically assigned the penalty of SHIKKAKU rather than bout disqualification (HANSOKU).

QUESTION 35

VERDICT: FALSE

Statement: "If an Athlete acts maliciously, HANSOKU is the correct penalty."

Official Reference: **Art. 10.3.1, p. 27**

> ***Verbatim Rule Text:***
> *"SHIKKAKU Disqualification from the tournament... may be invoked when an Athlete fails to obey the orders of the Referee, acts maliciously... (Article 10.3.1, Page 27)"*

Rule Justification: Malicious behavior calls for SHIKKAKU (tournament disqualification); applying HANSOKU is incorrect.

QUESTION 36

VERDICT: TRUE

Statement: "An Athlete can be given SHIKKAKU if the behaviour of the Coach or non-combatant members of the Athlete's delegation is considered to harm the prestige and honour of Karate-Do."

Official Reference: **Art. 10.3.3, p. 27 / Art. 9.1.4, p. 24**

Statement: "For individual competition, the Round-robin system followed by quarterfinals, semifinals and final is applied."

Official Reference: **Art. 3.4.1 & 3.4.2, p. 11 / Art. 3.7.1, p. 13**

Official Reference: **Art. 8.5, p. 21**

In order to be a valid score, a technique has to fulfil all the six scoring criteria. (Article 8.5, Page 21)"*

(Article 9.1.4, Page 24)"*

Rule Justification: Persistent interference by a coach after an initial warning warrants halting the bout and removing the coach from the tatami area.

QUESTION 43

VERDICT: FALSE

Statement: "If AKA scores just as AO steps outside of the competition area, both the score and warning or penalty can be given."

Official Reference: Art. 9.1.3, p. 24 / Art. 10.4.13, p. 28

> ***Verbatim Rule Text:***
> *"An Athlete staying within the TATAMI can score on an opponent that is exiting, or has exited, provided that the Athlete making the score remains within the TATAMI at the moment of scoring. In such instances, the Athlete scored upon will not receive JOGAI. (Article 9.1.3, Page 24)"*

Official Reference: **Art. 10.4.17, p. 30 / Art. 10.5, p. 30**
