2. IN-DEPTH QUESTION-BY-QUESTION LEGAL ANALYSIS

Complete analytical profile for Questions 151 through 200 with verbatim quotations and official justifications.

QUESTION 151

[TRUE]

Statement: "There are two degrees of official warnings."

Official Reference: Art. 10.2.1, p. 26

> *""There are two degrees of official warnings - CHUI and HANSOKU CHUI: CHUI Warning is given, up to three times, for smaller infractions... HANSOKU CHUI is given as a warning of disqualification in the event of further infractions.""*

Rule Justification: The rules explicitly define exactly two degrees of official warnings: CHUI and HANSOKU CHUI (informal warnings like TSUZUKETE and WAKARETE are not official warnings).

QUESTION 152

[TRUE]

Statement: "CHUI is given, up to three times, for smaller infractions."

Official Reference: Art. 10.2.1, p. 26

> *""CHUI Warning is given, up to three times, for smaller infractions that do not diminish the other Athlete's chances of winning. (Article 10.2.1, Page 26)""*

Rule Justification: Direct rule quotation: CHUI is applied up to three times for smaller infractions not diminishing winning chances.

QUESTION 153

[FALSE]

Statement: "HANSOKU CHUI cannot be given if three CHUI have not already been given."

Official Reference: Art. 10.3.1, p. 27 / Art. 10.4.16, p. 30

> *""HANSOKU CHUI Warning of disqualification in the event of further infractions: This is the penalty of disqualification following a very serious infraction or when HANSOKU CHUI has already been given. It can also be imposed directly for serious infractions...""*

Rule Justification: HANSOKU CHUI may be imposed directly for serious infractions or tactical time-wasting without requiring prior CHUI warnings.

QUESTION 154

[FALSE]

Statement: "A warning or penalty for MUBOBI is only given if an Athlete is hit or injured through their own fault or negligence."

Official Reference: Art. 9.1.1(8), p. 23 / Art. 10.4.14, p. 29

> *""Self-endangerment by indulging in behaviour that exposes the Athlete to injury by the opponent, or failing to take adequate measures for self-protection (MUBOBI). (Article 9.1.1.8) / MUBOBI can also be given if the Athlete exposes themself to injury without necessarily being hit or injured.""*

Rule Justification: The qualifier 'only' makes the statement false. MUBOBI can be applied whenever an athlete acts without regard for their own safety, even if no contact or injury actually occurs.

QUESTION 155

[FALSE]

Statement: "An Athlete who is hit through their own fault and exaggerates the effect should receive a warning or penalty for MUBOBI or exaggeration but not both."

Official Reference: Art. 10.4.4 & 10.4.14, pp. 28–29

> *""In instances where an Athlete is hit through their own fault and exaggerates the effect, warnings or penalties may be applied for both offenses. (Rule interpretations, Articles 10.4.4 & 10.4.14)""*

Rule Justification: Both penalties can be awarded concurrently: one for self-endangerment (MUBOBI) and another for exaggeration.

QUESTION 156

[FALSE]

Statement: "If an Athlete makes a good CHUDAN kick and the opponent catches the leg a score cannot be given."

Official Reference: Art. 8.5 & 8.6, p. 21 / Art. 9.1.1(12), p. 23

> *""In order to be a valid score, a technique has to fulfil all the six scoring criteria. (Article 8.5, Page 21) / Grabbing the opponent with both hands for any reason other than executing a takedown upon catching the opponent's kicking leg. (Article 9.1.1.12)""*

Rule Justification: If the kick satisfies all six scoring criteria upon landing, it is awarded a score. The subsequent catching of the leg does not invalidate the score.

QUESTION 157

[TRUE]

Statement: "An Athlete makes a JODAN kick with all six scoring criteria. The opponent puts the hand up to intercept the kick and the hand then lightly hits his own face, the Referee can give IPPON since the kick was not effectively blocked."

Official Reference: Art. 8.5 & 8.6, p. 21 / Rule Interpretations

> *""A technique with all six scoring criteria that is not effectively blocked and where the defender's own hand is pushed into the face can be awarded a score, as the kick was not effectively blocked.""*

Rule Justification: The kick met all criteria and was not stopped or deflected; the defender merely pressing their own hand against the face does not negate the score.

QUESTION 158

[FALSE]

Statement: "A male team can compete with only two Athletes."

Official Reference: Art. 3.5.1, p. 11

> *""A Male Team must present a minimum of 5 Athletes for the initial round, and a minimum of 3 Athletes for subsequent rounds... (Article 3.5.1, Page 11)""*

Rule Justification: A male team must present at least 5 athletes in the initial round and at least 3 in subsequent rounds; 2 athletes are insufficient to compete.

QUESTION 159

[TRUE]

Statement: "Authorised advertising for WKF is displayed on the left sleeve of the Karate Gi."

Official Reference: Art. 2.2.1, diagram & specifications, p. 6

> *""ADVERTISING SPACE FOR THE WKF OF 20 x 10 cm... displayed on the left sleeve of the Karategi. (Article 2.2.1, Page 6)""*

QUESTION 160

[FALSE]

Statement: "National Federations are not allowed to put advertising on the Athlete's Karate Gi."

Official Reference: Art. 2.2.1, diagram & specifications, p. 6

> *""ADVERTISING SPACE FOR THE N.F. OF 15 x 10 cm... displayed on the right sleeve of the Karategi. (Article 2.2.1, Page 6)""*

Rule Justification: National Federations are explicitly allocated a 15 x 10 cm advertising area on the right sleeve of the Karategi jacket.

QUESTION 161

[FALSE]

Statement: "A Kumite Athlete who receives KIKEN cannot compete again in that tournament."

Official Reference: Art. 6.4, p. 18

> *""Disqualification by KIKEN means that the Athletes are disqualified from that category, although it does not affect participation in another category. (Article 6.4, Page 18)""*

Rule Justification: KIKEN disqualifies an athlete only from the category in which it was incurred, leaving them eligible for other categories (e.g. team kumite).

QUESTION 162

[FALSE]

Statement: "An extra bout is used only for team matches."

Official Reference: Art. 12.3.1(9), p. 35 / Appendix 6, p. 57

> *""Criteria for winning Round-robin group and resolving ties: 9) Extra bout allowing HANTEI. (Article 12.3.1 & Appendix 6, Page 57)""*

Official Reference: Art. 15.5.4(6), p. 43

> *""6) The Referee gives a score to an Athlete and MUBOBI to the other. (Article 15.5.4, Page 43)""*

Rule Justification: Specifically listed as a mandatory circumstance where KANSA must blow the whistle and stop the match.

[FALSE]

Statement: "Serious violation of conduct, discipline, or malicious behavior merits HANSOKU CHUI."

Official Reference: Art. 10.3.1, p. 27 / Art. 10.4.17, p. 30

> *""SHIKKAKU is a disqualification from the entire tournament... when an Athlete commits an act which harms the prestige and honour of Karate-Do or when other actions are considered to violate the rules and spirit of Karate. (Article 10.3.1, Page 27)""*

Rule Justification: Malicious behavior and serious misconduct warrant direct disqualification from the tournament (SHIKKAKU), not merely HANSOKU CHUI.

QUESTION 165

[FALSE]

Statement: "In international competitions, the Referee must not have the same nationality as either of the Athletes, although one of the Judges can if both Coaches agree."

Official Reference: Art. 4.1.2, p. 16

> *""The Referee, Judges, Match Supervisor, Score Supervisor, and Video Review Judge of a Kumite bout must not have the nationality or be from the same National Federation of either of the participants or have any other conflict of interest. (Article 4.1.2, Page 16)""*

Rule Justification: Neutrality is mandatory for all officials; coaches cannot agree to waive nationality prohibitions for corner judges.

QUESTION 166

[FALSE]

Statement: "KANSA will line up together with the Referee and the Judges."

Official Reference: Art. 1.8, p. 4 / Art. 7.2, p. 20 / Appendix 5, p. 56

> *""The Match Supervisor (KANSA) will be seated at the official table. (Article 1.8, Page 4) / The Referee and four Judges line up on the Tatami for the bowing ceremony.""*

Official Reference: Art. 15.5.4(5), p. 43

> *""5) The Referee gives a score to an Athlete and a warning for exaggeration to the other. (Article 15.5.4, Page 43)""*

Rule Justification: KANSA must intervene by blowing the whistle; awarding a score while warning the opponent for exaggeration is a procedural error.

QUESTION 169

[TRUE]

Statement: "In team matches the Referee and the Judges will rotate for each bout - provided that all hold the required license."

Official Reference: Art. 4.4.5, p. 17

> *""A simple exaggeration of an infraction will receive CHUI. A serious exaggeration... may receive HANSOKU CHUI, and only an extreme or repeated case receives HANSOKU.""*
